EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James W. Babineau on 14 April 2006.

The application has been amended as follows:

IN THE CLAIMS:

Claim 8, line 1, delete "1" and insert -- 2 --.

Claim 11, line 1, after "10, wherein" insert -- the third set further comprises at least one further tuft that extends within the tufts disposed on the ring of the third set and --.

- 2. Claims 8 and 11 were amended to correct for an antecedent problem (the "further" tuft of the third set was not recited until claim 2).
- 3. The following is an examiner's statement of <u>reasons for allowance</u>: The prior art failed to teach or suggest, in a toothbrush having a first set of bristle tufts as defined in lines 3-4 of claim 1, (1) a second set of bristle tufts disposed on a ring and disposed at an angle of inclination and (2) a third set of tufts disposed on a ring <u>and inclined in a circumferential direction in opposition to the inclination of the bristles tufts of the second <u>set</u>.</u>

Art Unit: 1744

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Spisich whose telephone number is (571) 272-1278. The examiner can normally be reached on M-Th (5:30-3:00), Alternate Fri off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gladys Corcoran can be reached on (571) 272-1214. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
